\* BCATS and MDOT staff hold monthly meetings to discuss possible TIP amendments. The TIP review meetings are held on the Tuesday before the Technical Committee meeting, where it is determined whether monthly meetings are required. Following the review, updated calendar invites are sent to members. This assists the regular TIP amendment process and helps to eliminate unnecessary TIP changes.

\*\* To avoid having the BCATS Policy Committee Meeting the day after the BCATS Technical Committee Meeting, the date has been moved to one week later than normal. These dates are noted in **BOLD** in the schedule.
