Re: **Appointment Required for Vaccine Clinics in Bay County**

BAY COUNTY, MICHIGAN – The Bay County Health Department would like to remind residents that an appointment is required for all COVID-19 clinics in Bay County.

At the Delta Community College vaccine clinics, an appointment and a confirmation number is required. An appointment is also required at the Bay County Community Center clinics.

We are asking that residents do not get in line at either of these sites without an appointment. People that do not have an appointment will be turned away.

Please do your part and help minimize the spread of COVID-19. For the latest and most accurate information regarding the COVID-19 please go to the Bay County Health Department website at <https://www.baycounty-mi.gov/Health/COVID19/>.
