**BCATS and MDOT staff hold monthly meetings to discuss possible TIP amendments. Our TIP review meetings are held on the Tuesday before the Technical Committee meeting, where we convene and decide if we need to have a meeting before the updated calendar invites go out. This will assist in having a more rigid TIP amendment schedule and help to eliminate unnecessary TIP changes.*

*** To avoid having the BCATS Policy Committee Meeting the day after the BCATS Technical Committee Meeting, the date has been moved to one week later than normal. These dates are noted in **BOLD** in the schedule.*
