BAY COUNTY BOARD OF COMMISSIONERS

JUNE 17, 2025

RESOLUTION

- BY:** BAY COUNTY BOARD OF COMMISSIONERS (6/17/2025)
- WHEREAS,** On May 27, 2025, the Great Lakes Bay Region lost more than a man—it lost an institution, a guiding voice, and a living link to its own history. Donald J. Carlyon, the longtime president of Delta College and one of Bay County’s most influential civic leaders, passed away at the age of 100; and
- WHEREAS,** Originally from Nebraska, Mr. Carlyon arrived in Michigan with his wife Betty and joined Delta College in 1960 as business manager. In 1964, he became the college’s second president—a role he held for nearly three decades—helping shape Delta into one of the nation’s premier community colleges; and
- WHEREAS,** Known affectionately by many as “The Original Pioneer,” Don Carlyon’s leadership was visionary, yet always grounded in humility and community. His work helped multiply access to education across county lines and generations. He led Delta into national recognition, co-founding the League for Innovation in the Community College and launching one of the earliest fundraising efforts of its kind; and
- WHEREAS,** The Carlyons raised five children in a converted barn on campus, affectionately known as “The Farmhouse.” There, they welcomed students, neighbors, and visitors—offering barn tours featuring llamas, wallabies, and even lions, embodying Delta’s spirit of openness and inclusion; and
- WHEREAS,** Throughout and beyond his presidency, Mr. Carlyon remained a beloved presence—proudly wearing his Delta College pin and Cornhusker belt buckle, and staying deeply involved with events like the Bay City St. Patrick’s Day Parade, Delta’s Chocolate Affair, and efforts to restore local landmarks like the State Theatre and Battery Park; and
- WHEREAS,** He was honored with Delta’s Award of Distinction in 2014, and his legacy endures through the Donald J. and Betty Carlyon Scholarship Endowment, established by over 1,000 supporters in 1989; and
- WHEREAS,** Community leaders and citizens alike—through social media tributes, memories, and personal stories—have expressed how Don Carlyon became part of the very DNA of the region, a figure whose life ripples outward through generations; Therefore, Be It
- RESOLVED** That the Bay County Board of Commissioners honors the life and enduring legacy of Donald J. Carlyon—a leader, mentor, and civic pioneer who shaped not just an institution, but a region; Be It Further

RESOLVED That this resolution be entered into the official record and presented to the Carlyon family, with deepest condolences and lasting gratitude for a life spent lifting others.

10:

Interests: I am an avid reader, often reading two or three books at a time. I am a former teacher, event planner and retail store manger. All of these positions

give me qualities I could use to promote the Bay County Library. I am a leader and I have been very successful leading many different organizations through inception and carrying out both long and short term projects.

FieldName 11: List any other information you feel would be pertinent in assisting the County Board of Commissioners in their selection.

Other Info: I am very interested in becoming more involved in the community in which I grew up. I left Bay County in 1979, returned to teach at Holy Rosary Academy (and work in my family's business, Ideal Party Store) for the 1984-1985 school year. I married the summer of 1985 and moved away from Bay County vowing never to return. In 2007, my husband started working in Michigan as part of his territory. He stayed at the Doubletree in Bay City and worked the state from there. He fell in love with Bay City and in 2014 convinced me to come home. It was the best move we ever made. I love it here in Bay County and it would be a pleasure to help promote a part of it by serving on the Library Board. Thank you for your consideration!

Application for Appointment to the Library Board

List your interests and qualifications for the above Board of Commission:

As a lifelong Bay County resident and avid reader, the Bay County Library System has always played a large role in my life. From my earliest memories, the library, particularly the Sage and Alice and Jack Wirt Branches, have been my sanctuary. I remember receiving my first library card, spending summers learning about science alongside my father, a local teacher, and completing the summer reading challenge every year.

Today, my connection to the library has continued. I still enjoy browsing the shelves and reading physical books, but I now spend most of my free time reading eBooks through Libby and listening to audiobooks through Hoopla.

I have used a wide variety of the library's different services throughout the years. I have used the library of things to try new hobbies, read an average of 50 books a year, and have used the meeting rooms to study. The annual Friends of the Library Book Sale is something I always look forward to. I'm also excited to share my love of the library and reading with my future children and participate in programs like the 1000 Books Before Kindergarten challenge and the annual summer reading programs.

The Bay County Library System has given me so much throughout my life, and I'm eager to give back by serving on the Library Board. I am committed to supporting its mission, enhancing its digital resources and services, and ensuring that it will always be a place where everyone feels welcome.

List any other information you feel would be pertinent in assisting the County Board of Commissioners in their selection:

I am passionate about reading, learning new things, helping those in need, and Bay County as a whole. As the Grant Administrator for the Saginaw Police Department, I have experience in researching, applying for, and managing federal and state grants. I also understand funding processes and accountable spending, which I believe would be an asset to the Bay County Library System's mission to transform our community by providing vital opportunities and connecting people, ideas, and information.

List memberships on any other civic Boards and/or committees:

I currently serve on the boards of directors for three local non-profit organizations: Westlund Guidance Clinic, the Sexual Orientation and Gender Identity Youth Advocacy Council (SOGI YAC) as the Youth Voice Coordinator, and the Saginaw Chapter of Parents of Murdered Children (POMC) as Secretary. I am also on multiple task forces and committees. These all helped me become familiar with Robert's Rules of Order. I believe

these experiences and my passion for the community will benefit and strengthen the library board.

RESOLUTION RE: Cheboyganing Creek Intercounty Drain Bonds, Series 2025

WHEREAS, proceedings have been taken by the Drainage Board for the Cheboyganing Creek Intercounty Drain for improvements to the Cheboyganing Creek Intercounty Drain (the “Project”) pursuant to a petition filed with the Saginaw County Public Works Commissioner under the provisions of Chapter 8 of the Drain Code of 1956, as amended (the “Drain Code”); and

WHEREAS, in order to defray the cost of the Project, the Drainage Board has authorized and provided for the issuance by the Cheboyganing Creek Intercounty Drain Drainage District (the “Drainage District”) of bonds (the “Bonds”) in the aggregate principal amount of not to exceed \$4,200,000, bearing interest at a rate not to exceed 6% per annum, and maturing not later than June 1, 2046, in anticipation of the collection of an equal amount of special assessments against property and public corporations (including the County of Bay) in the Counties of Tuscola, Saginaw and Bay in the Drainage District, said special assessments having been duly confirmed as provided in the Drain Code; and

WHEREAS, the Computation of Cost for the Project sets forth an estimated cost of \$4,200,000, to be allocated among the County of Tuscola, the County of Saginaw and the County of Bay as hereinafter provided; and

WHEREAS, 71.38% of the cost of the Project has been apportioned by the Drainage Board to the County of Saginaw, 24.36% of the cost of the Project has been apportioned by the Drainage Board to the County of Tuscola and 4.26% of the cost of the Project has been apportioned by the Drainage Board to the County of Bay; and

WHEREAS, the Drainage Board deems it advisable and necessary to obtain from this Board a resolution consenting to the pledge of the limited tax full faith and credit of the County of Bay on the Bonds to the extent of special assessments assessed against property and public corporations in the County of Bay; and

WHEREAS, the Project is necessary to protect and preserve the public health and it is in the best interest of the County of Bay that the Bonds be sold.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF BAY:

1. Pursuant to the authorization provided in Sections 132 and 276 of the Drain Code, the Bay County Board of Commissioners, by a majority vote of its members elect, does hereby irrevocably pledge the limited tax full faith and credit of the County of Bay for the prompt payment of the principal of and interest on the Bonds to the extent of special assessments against property and public corporations in the County of Bay, and does agree that in the event that property owners or public corporations in the County of Bay shall fail or neglect to account to the Bay County Treasurer for the amount of any such special assessment installment and interest (in anticipation of which the Bonds are issued) when due, then the amount thereof shall be immediately advanced from County of Bay funds, and the Bay County Treasurer is directed to immediately make such advancement to the extent necessary. The ability of the County of Bay to levy taxes to pay its share of the principal of and interest on the Bonds shall be subject to constitutional and statutory limitations on the taxing power of the County.

2. In the event that, pursuant to said pledge of full faith and credit, the County of Bay advances out of County funds, any part of the principal of and interest due on the Bonds, it shall be the duty of the Bay County Treasurer, for and on behalf of the County of Bay, to take all actions and proceedings and pursue all remedies permitted or authorized by law for the reimbursement of such sums so paid.

3. The Bay County Treasurer is hereby authorized, if necessary, to execute a certificate of the County of Bay to comply with the continuing disclosure undertaking of the County of Bay with respect to the Bonds pursuant to paragraph (b)(5) of SEC Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County of Bay hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, to do all other things necessary for compliance with Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and to do all other things that are necessary to effectuate the sale and delivery of the Bonds.

4. This resolution shall become effective only if the Boards of Commissioners of the Counties of Saginaw and Tuscola each adopt a resolution substantially in the form of this resolution that pledges the limited tax full faith and credit of, respectively, the County of Saginaw and the County of Tuscola to the payment of the principal of and interest on the Bonds when due to the extent of the respective county's apportioned share of the cost of the Project.

Re: **Committee of the Whole Agenda**

Please consider the following items for the agenda of your committee meeting scheduled for June 10, 2025.

1. Request:

Andrea LaBean is requesting approval to hire a qualified case manager at the second-year step instead of the entry level pay rate.

Background:

A case manager position was posted for the Department of Criminal Defense, and an applicant meets the criteria for hire and comes with a significant amount of case management experience. This person requires a pay rate at the second step of the pay scale in order to accept the position. Andrea is confident this person would be able to come into the role with the necessary experience and education to excel at the role of case manager.

Note that the top step in the pay scale is three years and the candidate has well over three years' experience.

Finance/Economics:

Funds are budgeted in the existing 2025 budget; therefore, no additional funds are required.

Recommendation:

Please refer to the full board for approval of hiring a case manager in the office of Criminal Defense at a higher than hire rate of the PB05 pay scale.

Thank you for your consideration and approval of any necessary budget adjustments related to the aforementioned requests. If you have any questions or concerns, please feel free to contact me.

Subject: ForeUp Payments

Request: To gain approval from the Board of Commissioners for the Bay County Golf Course to enter into an agreement with ForeUp Payments for credit card processing.

Background: Currently, the Bay County Golf Course uses WorldPay for credit card processing because it was one that connected to our point of sale software system, ForeUp. We began inquiring about other options for credit card processing due to the high cost of our current processor. Foreup software now provides ForeUp Payments as a credit card processing option that connects with its software. As it would be significant savings in processing fees, it is our desire to switch to this processor.

Economics: The Golf Course will have to purchase a new credit card terminal with existing budgeted funds. No additional funds are requested.

Recommendation: It is recommended the Board approve the Chairman to sign documents related to this agreement with ForeUp Payments, as well as any documents required to cancel our current agreement with WorldPay, upon favorable review from Corporation Counsel as well as any budget adjustments that are required.

BY: BAY COUNTY BOARD OF COMMISSIONERS (6/17/25)

WHEREAS, The Bay County Golf Course currently utilizes WorldPay for credit card processing due to its compatibility with the course's point of sale software system, ForeUp; and

WHEREAS, The costs associated with the current credit card processor, WorldPay, have prompted an evaluation of more cost-effective alternatives; and

WHEREAS, ForeUp software now offers ForeUp Payments, a credit card processing option that integrates directly with its system. This would maintain compatibility and result in significant savings in processing fees; and

WHEREAS, Transitioning to ForeUp Payments will require the purchase of a new credit card terminal with existing budgeted funds. No additional funds are required; Therefore, Be It
