UNFINISHED BUSINESS:

Rick Bukowski, Vice Chair, does anyone have any unfinished business?

I guess the flow chart that Robert Redmond put together would be unfinished business. Did everyone get a chance to look that over? That's nice, Bob, thanks for putting that together for us. That is exactly what I was looking for. It will make it easy if there is any discussion on bond issues in the future. We can refer to this and that will give us a better understanding of what's going on. Does everyone else have a copy of the bond papers?

Robert Redmond - well, you can print it out. It was sent in an e-mail.

Rick Bukowski - yeah, that's where I got it. Did you, in the notes, did you print a copy for--

Melanie - no, I –

Rick Bukowski - maybe when we are done you can print a copy for everyone? So they have it for their records.

Melanie - yes, absolutely.

NEW BUSINESS:

MISCELLANEOUS:

Rick Bukowski, Vice Chair, can you maybe give us an explanation as to what we are doing here?

Robert Redmond - these payments are in May and November. So, these are the May payments and if you look at the loan amount it tells you what they are for. There's two on the court, one on the Ice Arena, and the Library, the Law Enforcement Center and the Group Homes, the Mental Health Group Homes. They sent us the wrong invoice and we had to have them correct it and resend it. So, they sent us one for bonds we all ready paid on.

3 MOVED, SUPPORTED AND CARRIED TO APPROVE PAYMENT OF THE FOLLOWING BOND PAYMENTS.
