Dear Commissioners,

I am writing to you concerning Timothy Conklin, who has applied for a position on the Bay County Veteran Affairs Committee. I have known Mr. Conklin socially for over ten years and have had sufficient interaction with him to offer you a reliable opinion concerning his qualifications to serve as a committee member.

Mr. ConKlin is a veteran and is genuinely interested in the welfare of his fellow veterans. He has performed work for me on several occasions and was prompt and conscientious in his work. Mr. Conklin communicates well and relates to all in a kind and interested manner. He definitely would be productive and work well with other members of the Veteran Affairs Committee. In sum, I give my highest recommendation to you to appoint Mr. Conklin to serve on the Veterans Affairs Committee. Please contact me if you have questions.

Interests: I am a proud United States Army veteran, having served honorably on active duty from 1990 to 1993 as Quartermaster in charge of Arms, NBC,

and other logistics at the US Army MP School at Ft McClellan. I was a ROTC Cadet from 1993-1995 during which time I completed Airborne school at Ft Benning, GA. My military service instilled in me not only patriotism, but a lifelong commitment to service, leadership, and advocacy for those who have worn the uniform.

Military service is a core value within my family. My father is a Vietnam veteran and a Bay County resident, and my brother is also a Gulf War era veteran. My maternal grandfather fought at the Battle of the Bulge during WWII. Supporting veterans is not only a professional interest but a deeply personal commitment rooted in generations of service.

For more than two decades, I have served the Bay County region as a Nurse Practitioner and healthcare executive, with a primary focus in community mental health. I currently serve as Chief of Health Services for Saginaw County Community Mental Health Authority and previously spent over a decade at Bay Arenac Behavioral Health, where I was a psychiatric prescriber and member of the executive leadership team. Throughout my career, I have led multidisciplinary teams, overseen budgets and operational strategy, and developed policies designed to improve access to care and patient outcomes.

My clinical expertise in psychiatric and behavioral health care provides me with direct insight into the complex challenges many veterans face, including PTSD, depression, substance use disorders, and barriers to accessing coordinated care. I have managed large patient caseloads, led practice transformation initiatives, and collaborated on grant-funded health integration projects to improve service delivery.

I am deeply committed to ensuring that veterans in Bay County have access to comprehensive, coordinated, and dignified support services. My combined experience as a female veteran, healthcare provider, executive leader, and member of a multi-generational military family uniquely positions me to contribute meaningfully to the Committee's mission.

FieldName 11: List any other information you feel would be pertinent in assisting the County Board of Commissioners in their selection.

Other Info: In addition to my military service and healthcare leadership experience, I have extensive experience in policy development, strategic planning, fiscal oversight, and systems improvement. I have successfully led organizational transformation efforts, improved operational efficiency, and strengthened stakeholder collaboration across healthcare systems. As a long-term Bay County resident and a veteran, I understand both the systemic challenges veterans face and the importance of responsible stewardship of public resources. I bring a balanced perspective that combines frontline clinical experience with executive-level decision-making and a deeply personal commitment to veteran advocacy. I would be honored to serve and contribute to ensuring that Bay County veterans receive the respect, support, and services they have earned.

Interests: I am a Bay County resident and honorably discharged Marine Corps veteran with a strong commitment to serving the veteran community. I

currently work as a Veteran Specialist with Mid-Michigan Community Action Agency, where I work directly with veterans experiencing or at risk of homelessness. I help provide veterans with housing stability, employment planning, and access to VA and community-based benefits.

In addition, I have previously worked as a Military Student Liaison at Saginaw Valley State University and also served as President of the Student Veterans of America chapter there. Through these positions, I have helped support veterans in navigating educational benefits, accessing campus resources, and transitioning successfully into academic life.

These experiences have given me an understanding of the challenges some veterans face like, transition from service, education, employment, and housing stability. I am interested in serving on this committee to provide practical, experience-based input on policies and programs that impact veterans in Bay County and to help strengthen coordination between the County and the organizations serving our veteran population.

Other Info: In addition to my direct work with veterans, I have experience working in structured, decision-making environments where fairness, accountability, and careful consideration are important. During my time at SVSU I also served on the Student Conduct Panel, where I review cases, weigh competing interests, and contribute to decisions that can significantly impact students' lives. That position strengthened my ability to approach issues thoughtfully, remain objective, and consider both policy and real-world impact.

RE: Appointment of Jamaal Watson Sr.

Commissioner Banaszak,

In compliance with Michigan Public Act 139 of 1972 Section 8e, a County Executive shall appoint, supervise, and at pleasure remove heads of departments other than elected officials. The appointment of heads of departments shall require the concurrence of a majority of a county board of commissioners. While the facility remains County operated, it is in transition to Court operation. Because of this planned transfer, Judge Mark Janer, Judge Jan Miner, Court Administrator Amanda Shores and Juvenile Home Director Juli Reynolds conducted the interviews and made the hiring recommendation. However, I am responsible for making the appointment until the transition is complete.

I request concurrence with my appointment of Jamaal Watson Sr. as Juvenile Home Director following the current Director's pending retirement. Jamaal brings 24 years of experience in juvenile detention across both County and Court operated facilities, with strong expertise in operations, staff supervision and training, labor-management relations, policy compliance, and risk management. As we transition from a County-operated to a Court-operated facility, his experience navigating a similar transition will be especially valuable.

Jamaal's extensive experience and demonstrated leadership abilities position him as an exceptional candidate for this role.

Sincerely,

A handwritten signature in cursive script that reads "Jim Barcia".

BAY COUNTY TREASURER

Weston Prince
County Treasurer

Chief Deputy Treasurer

MEMORANDUM

To: Jerry Crete, Chairperson, Committee of the Whole
From: Weston Prince, Bay County Treasurer
Date: April 16, 2026
Subject: Temporary Hire of Account Clerk

Background:

Due to the upcoming retirement of a long-time employee in the Treasurer office, the Bay County Treasurer office will temporarily need additional funds to facilitate additional training and ensure a smooth transition. The Treasurer is seeking to obtain a budget adjustment authorization to hire a replacement to begin training and ensure a smooth and efficient transition to a new staff member while providing minimal interruptions to the day-to-day functions of the office.

Financial Impact:

The costs associated with this temporary position are in addition to the current budgeted funds. It is anticipated the additional costs of hiring this staff member would be up to \$6,200. Due to a prior vacancy for the Treasurer office staff and the likely reduced salary of a new hire, this could offset some of the costs associated with this request.

Recommendation:

Provide the additional funds needed to hire an additional staff member to provide additional training and ensure the transition in staffing is smooth and there are no interruptions to office operations.

WHEREAS, The Bay County Treasurer's Office has a long-tenured Account Clerk who is approaching retirement, creating an anticipated staffing transition; and

WHEREAS, The Bay County Treasurer has requested that the Board of Commissioners authorize a budget adjustment to fund this temporary hire to minimize disruption to the day-to-day functions of the Treasurer's Office; Therefore, Be It

RESOLVED That the Bay County Board of Commissioners approves a budget adjustment in the amount not to exceed \$6,200 for the temporary employment of an Account Clerk within the Bay County Treasurer's Office to facilitate training and transition associated with the retirement of a current employee with funding to come from the General Fund, Fund Balance; Be It Further
